

# BHAKT ENGLISH MEDIUM SCHOOL

## Self-Study Planner No-1 (2020-21)

Class	Subject	Self Study Details
II	Computer	*To Study Computer Language -An Introduction to Computers
		Desktop computer laptop,are some types of computer.(write some information about these)
		Charles Babbage made the Analytical engine.
		Speed, accuracy, automatic,storage, diligence are some of the characteristics of computer
III	Computer	Parts of a computer and Hardware and Software
		Keyboard , Monitor , Mouse , CPU , MU , CU , ALU
		Output Devices , Storage Device, System Software and Application Software
		Useful link for self study - <a href="http://www.ictspecialist.com/io-facts.html">www.ictspecialist.com/io-facts.html</a> , <a href="http://www.ictspecialist.com/hardsoft.html">www.ictspecialist.com/hardsoft.html</a>
IV	Computer	*To Study Computer Hardware-RAM , ROM , CPU , MOTHER BOARD , HARD DISK ,Etc.
		Useful link for self study-
		<a href="https://search.networking.techtarget.com/definition/hardware">https://search.networking.techtarget.com/definition/hardware</a>
		<a href="https://www.youtube.com/watch?v=ctAVC2JwEwI">https://www.youtube.com/watch?v=ctAVC2JwEwI</a>
V	Computer	*To Study Computer Evolution of Computers
		History of Computers , 3000-BC Abacus , Leibniz Calculator, Generations of Computer and Types of Computer
		*Software and its Types
		System Software , Application Software, Graphics, Multimedia and Presentation Software
		*Windows 7
		Features windows , Windows Explorer , Deleting and Restoring a File/Folder and Desktop Gadgets
		<a href="https://www.computersciencelab.com/ComputerHistory/History.htm">https://www.computersciencelab.com/ComputerHistory/History.htm</a> <a href="http://www.homeandlearn.co.uk/bc/beginnerscomputing.html">www.homeandlearn.co.uk/bc/beginnerscomputing.html</a>

Class	Subject	Self Study Details
VI	Computer	*To Study Computer Languages-Low-Level Languages,High-Level Languages,Advantages
		Useful link for self study-
		<a href="https://owlcation.com/stem/Types-of-Computer-Languages-with-Advantages-and-Disadvantages">https://owlcation.com/stem/Types-of-Computer-Languages-with-Advantages-and-Disadvantages</a>
		<a href="https://www.youtube.com/watch?v=ifo76VyrBYo">https://www.youtube.com/watch?v=ifo76VyrBYo</a>
VII	Computer	*To Study Computer Hardware -RAM,ROM,CPU,MOTHERBOARD,HARD DISK etc.
		Useful link for self study-
		<a href="https://searchnetworking.techtarget.com/definition/hardware">https://searchnetworking.techtarget.com/definition/hardware</a>
		<a href="https://www.youtube.com/watch?v=ctAVC2JwEwI">https://www.youtube.com/watch?v=ctAVC2JwEwI</a>
VIII	Computer	*To Study Networking Concepts-Types of Networks,Switch,Hub
		Useful link for self study-
		<a href="http://www.steves-internet-guide.com/networking/">http://www.steves-internet-guide.com/networking/</a>
		<a href="https://www.youtube.com/watch?v=Dnq7YHI0OfM">https://www.youtube.com/watch?v=Dnq7YHI0OfM</a>
